# Atomos Hyla broadens its presence in North-Eastern Italy with a new office in Vicenza

**Vicenza, Italy – 21/02/2022** - sedApta group is pleased to announce the opening of a new office in Vicenza on behalf of Atomos Hyla, innovative services company for the digitization of supply chain and factory execution processes.

The new office, which joins those already existing in Genoa, Savona, Turin, Milan, Bologna and Naples, will be headed by Enrico Aramini, former CIO of Pasta Zara and president of HTC, who has thirty years of experience in the development of manufacturing industry solutions. Together with a team of more than 10 Manufacturing IT consultants, senior consultants with decades of experience in the optimization of supply chain processes, manufacturing execution systems and Industry 4.0.

*“Currently, many important sedApta Group customers are positioned in North-Eastern Italy. Our goal is to realize the potential of this geographical area, using the sedApta software suite and the experience of Atomos Hyla. These tools, also recognized at international level, are for us an indispensable opportunity to grow a territory dedicated to manufacturing excellence and always ready for innovation and evolution.” says Enrico Aramini.*

*“We are very glad for the opening of this new office. North-Eastern Italy represents a very important manufacturing center for sedApta, and this local presence will allow us to be even closer to our customers, listening to their requirements and assisting them in the digitization processes of their factories and the entire end-to-end supply chain. The whole sedApta group wishes Enrico and his team the best of luck!”. Giorgio Cuttica, CEO Gruppo sedApta.*
